

Messaging Doctor Fees

Will range from time to researching and how much work must be put in.

1-4 min. \$5 **16-20 min. \$30**

5-10 min. \$10 **21-30 min. \$40**

11-15 min. \$20 **31+ min. \$50**

What types of messages will prompt a bill? Sending your doctor, a picture of a new rash, asking for a form to be filled out or requesting a change in medication. Anything that requires going into the chart to review previous notes, medications, imaging, consultations, hospital records, etc.

Only certain messages trigger a charge. Patients won't be charged, for example, for prescription refills, scheduling an appointment, asking a follow-up question about an office visit within the last seven days. Or if the doctor advises they should schedule a visit in response.
